Charlotte

County: Union

Reality: Religious Affiliation

Houses of Worship - Other than Christianity

Source: Community Profile Builder (The Association of Religious Data Archives)

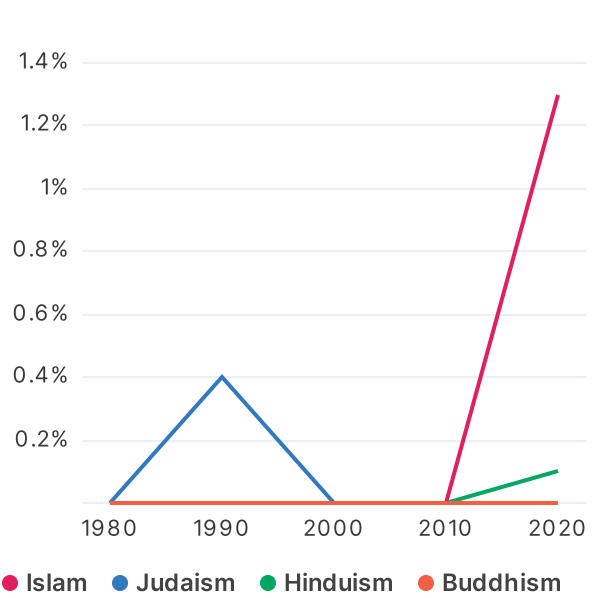

Broad Religious Group Trajectory

The majority of people in the Greater Charlotte Area identify as broadly Christian or None/Other. Smaller traditions of faith are represented at a more detailed level in other charts.

Source: County Membership Report (2020) | The Association of Religious Data Archives

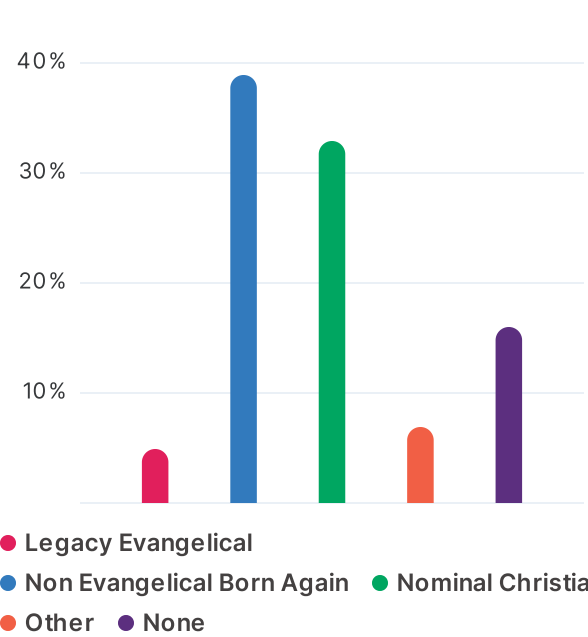

Smaller Religious Tradition Trajectory

Removed Christianity and None/Other from the chart because they are very large percentages compared with smaller populations of faith traditions in Charlotte. This chart shows the trajectory of other faith traditions in Mecklenburg County. Percentages are part of the entire faith survey for the region.

Source: County Membership Report (2020) | The Association of Religious Data Archives

Christian Faith Affiliation by Type

In a survey of Charlotte area adults, participants were asked to label their religious affiliation by type.

Source: Barna Faithview 2021 | barna.com
